How the TAX CREDIT can help you and the school of your choice:

This is an excellent way to help a school of your choice for specific programs and help you with a reduction of a tax liability on a dollar for dollar basis. Contribution amounts less than the maximum allowance such as \$20, \$50, or \$100 are gladly accepted. Taxpayers do not need to have children in school to make a contribution.

Individuals or head of household can receive a state income tax credit of up to \$200 and a married couple filing a joint return can receive up to \$400. Please consult your tax advisor for specific details on how this could benefit you. According to A.R.S. §43-1089.01:

“A credit is allowed against the taxes imposed by this title for the amount of any fees or cash contributions by a taxpayer or on the taxpayer’s behalf pursuant to section 43-401, subsection I during the taxable year to a public school located in this state for the support of extracurricular activities or character education programs of the public school.”

Deadline to take advantage of the TAX CREDIT:

The form and donation must be mailed to the District Office or returned to the chosen school prior to December 31, 2011 in order to apply to the State of Arizona taxes filed for 2011.
